

PENN FAMILY CARE

# PROUD PROGRAM

## ABOUT THE PROGRAM

PROUD includes a team of physicians, pharmacists, and certified recovery specialists who provide pregnant patients with compassionate and non-judgmental prenatal care and treatment for opioid use disorder in one location. We offer treatment with buprenorphine (Subutex) or buprenorphine/naloxone (Suboxone) to help keep you and your pregnancy safe. We can also coordinate community and hospital resources, including social work, behavioral health, counseling, doulas, and inpatient rehab. We continue to care for you and your baby after they are born. We are here to support you wherever you are in your journey, and whatever your needs may be.
